

# Cold Temperature Restricted Airports Notice and what it means to you

This event will give the general public a better understanding as to why the Notice was created, how the calculations were determined, and how it affects the airman.

**Directions:** The Fairbanks Airport Operations Center is located on the west side of the airport south of the main terminal building. The event will be held in the Airport Operations Center training room.

## A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
